

hello! I'm
Saumya Oberoi

my Projects

Balu - Short Film

A two minute 2D animated short film about a young girl and her cat as they explore a seaside and its tidepools. Currently in progress.

Sem. Project | Prof. Phani Tetali | 2021-ongoing

Gadar

Development artwork, character designs, and background painting for a historical documentary with animated segments.

Course Project | Prof. Shilpa Ranade | 2021

Jaggu and the Don

An original 24-page graphic novel centered around a young fisherman and a local mafia group, in a campy and mildly surreal style.

Internship | Samidha Gunjal | 2020

Mood Indigo Murals

Commissioned to create digital designs for the main mural of Mood Indigo, a 80'x15' wall at IIT Bombay, for two consecutive years.

2020 & 2021

Visual Void

Organizer and social media handler for an informal, fortnightly visual design club at the IDC School of Design, founded by senior department students.

@suspiciousactivity.ac.in

2018-ongoing

take a look!

About — me —

I'm an artist and designer based in India. Currently, I'm pursuing my B.Des+M.Des from the IDC School of Design, IIT Bombay

Graduation: June 2023

As an artist, I adore participating in visual development, toying with color, and training myself to tell great stories. I'm also a drummer, a trained bharatnatyam dancer, and an avid seafood-enjoyer.

My Experience (and looking for more!)

PaperBoat Animation Studios

Writing and development of a pitch-bible for an animated OTT streaming show, for kids aged 8-12. Responsibilities included conducting research and designing members of an ensemble cast.

Intern | May-July 2021

CovidWire

PR, social media, and editorial illustrations for fact-checking news source, covidwire.in, during the first Covid-19 outbreak in India.

Illustrator | Summer 2020
